Dear Aryan,

Request for information under the Freedom of Information Act 2000

Following your request for information on 2 June 2026 regarding GCSE and Degree Classification Data Analysis, please see below for the University's response. Please accept our apologies for the delay in responding to you.

For your ease of reference, our answers are set out following your original questions as shown below:

For students admitted in the 2020 admissions cycle who subsequently obtained a final degree classification of 2:1 or above, please provide the number of such students who held each of the following GCSE Mathematics and GCSE English Language grade combinations at the point of admission:

GCSE Maths + English Language.	***n (number)***
9-9	
8-9 or above	
8-8 or above	
7-7 or above	
6-6 or above	

Please provide the number, or counts, for each category, as a table or otherwise please.
Also note these are cumulative counts.

Please include only students holding GCSE grades awarded on the 9–1 grading scale and exclude students holding legacy GCSE grades (A*–G).

In addition to the data categories already requested, please also provide the total population count (\(N\)). Specifically, I require:

- ***The total number of all students admitted to the university in the 2020 admissions cycle who subsequently obtained a final degree classification of 2:1 or above in any program.***

This total figure is necessary to provide the baseline context for the cumulative counts requested.

Please see the table below and note the following:

- Student numbers have been rounded to the nearest 5.
- The data shows students who were enrolled in the 2020-21 Academic Year, entered with English Language and Mathematics GCSE grade combinations of 6 or above and obtained a final degree award of a 1ST or 2:1
- Data only includes students holding GCSE grades awarded on the 9–1 grading scale
- Please note these figures mentioned above are cumulative
- The data also shows the total number of students who were enrolled in the 2020-21 Academic Year, and obtained a final degree award of a 1ST or 2:1 to give baseline context for the cumulative figures.

Total number of students admitted to University of Hertfordshire in the 2020-21 academic year who obtained an award of 2:1 or 1ST- 3640

Total number of students admitted to University of Hertfordshire in the 2020-21 academic year, who entered with GCSE English Language and Mathematics grade combination of 6 or above, who also obtained a final degree award of 2:1 or 1ST

GCSE Maths and English Language	Number of Students
9-9	0
8-9 or above	5
8-8 or above	15
7-7 or above	70
6-6 or above	210

Please note that the student numbers have been rounded to the nearest 5 and only includes students holding GCSE grades awarded on the 9–1 grading scale.

We trust that this sufficiently answers your information request. If you have any queries about the above, please get back to me.

If you are not satisfied with the response to your Freedom of Information Act 2000 enquiry, we encourage requesters to email foi-request@herts.ac.uk in the first instance to see if your concerns can be addressed informally. Following this, if you are still dissatisfied with the response you received, you can request an internal review into the handling of your request by emailing legal@herts.ac.uk. Internal reviews will be conducted in accordance with the University's Freedom of Information Policy. We will provide you with the outcome of the internal review within 20 working days. In exceptional circumstances, this may be increased to

40 working days but if this is the case, we will inform you within the initial 20 working days. In accordance with the Freedom of Information Code of Practice, requests for an internal review should be made within 40 working days of receiving the response. The University will not consider a request for an internal review made after 40 working days.

Should you wish to appeal about the way your request was handled, including any internal review, you can contact the Information Commissioner at https://ico.org.uk/concerns or write to: FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.
