WhatDoTheyKnow

Requesting data regarding gcse attainment for academic year 2022-2023

Aryan Thanki made this Freedom of Information request to Michaela Community School

Follow 1 follower

We're waiting for Aryan Thanki to read recent responses and update the status.

Dear Michaela Community School,

I would like for the academic year 2022-2023 (i.e students who sat GCSE exams in 2023 summer)

A breakdown of grades in Maths GCSE and ENGLISH Language GCSE for students who were classed as SEN/SENCO - the number gaining each grade 1-9 respectively for each subject

Yours faithfully,

Aryan Thanki 13 May 2025

Delivered

Dear Aryan,

Thank you for your email dated 13/5/2025 which we confirm receipt of. A reply will be sent to you as soon as possible.

For information; the Board's standard for correspondence received is that responses should be sent within 20 school working days as you are requesting information under the Freedom of Information Act 2000.

Best wishes,

Michaela FOI Team
